Beautification Program ... We have a rebate program to help promote landscaping. It is called the Windemere's Beautification Program. The first 10 homeowners that want to be considered will submit a receipt by January 1st 2021. You will receive \$50.00 rebate for your tree or perennial you planted in your yard visible from the street. If your tree or perennial (annuals do not apply) cost less than \$50.00 you will receive that amount. Maximum rebate is \$50.00.

Windemere Beautification Crew ... We want to expand this program to add a new feature and it will be called Windemere Beautification Crew. This new feature will help homeowners that are in need of home improvements that are visible from the street. This could include: house painting, fence repair, landscaping/tree trimming, etc. The owner will need to provide the supplies (such as paint, new flowers, etc.) but the labor will be free as we will be asking the neighborhood to come together and volunteer to help their neighbors. The Homeowners that would like to be considered can submit their request to the Homes Association. One will be chosen monthly and an email will be sent out with the details and for anybody interested/available that month will be able to sign up for the event. This is a great way for us to get to know each other while helping out our fellow neighbors. So any homeowner who is interested, please go ahead and submit your request to the Association on your story and what you need help with. The Homes Association will provide pizza and water for the volunteers.

Appletree Academy Preschool

"Where Learning Is Fun!"

"Appletree has been the best decision that our family could have made, regarding our childrens' early childhood education. Jan and all of her staff truly care about each and every student and it shows in the way that they teach. Our childrens' time here has been an exceptional experience and I would highly recommend Appletree Academy!" Jessica & Violet Hale

IMPORTANT REMINDERS ... Please maintain your property, this includes fences. Trim your bushes and trees so they are not obstructing sidewalks. Many homeowners make changes to the outside of their homes (paint color, fences, out buildings, etc.) Avoid headaches and extra costs, have your plans reviewed by the board first. You are always welcome to attend a board meeting to discuss your plans, as well. Make sure you do not need a permit with the city also.

Any vehicle parked in a driveway or on the city street must be in compliance with city code. No unlicensed vehicle, not limited to trailers or other equipment intended to be moved over public streets, may be parked outside in a driveway or street. No trailer homes, not limited to travel trailers, mobile homes, recreational vehicles, watercraft or trailers of any kind may be parked outside of a fully enclosed garage for more than (72) hours. If a travel trailer, or portable-on-demand storage/waste container, recreational vehicle or watercraft is to be temporarily parked in a driveway, the Board must be contacted for a temporary waiver of this restriction.

Per the restrictions and city code, trash and recycle bins must not be visible from the street from either the front or sides of your house with, of course, the exception of the evening before trash day and trash day. To avoid penalties from the HOA and the city start placing your trash and recycle bins out of sight.

Ordinance for the city of Lee's Summit: Your vehicle cannot block the sidewalk for pedestrians. The city will not be actively looking for this violation but if they do see a vehicle blocking the sidewalk you will be ticketed.

School starts August 26th. Please keep our neighborhood safe for our children, pets and protect yourself. **OBSERVE the 25 m.p.h. speed limit!!!**

Please respect your fellow neighbors' property and do not forget to pick up what your dog leaves behind when out walking your dog. It's the right thing to do!!! Obey the leash laws!!! This applies to cats also!!!

QUIET HOURS ... FOR ALL CITY NEIGHBORHOODS ARE FROM 11 p.m. to 7a.m. If you are having a party that goes into the night, please talk to your neighbors or go inside after 11p.m. to be considerate of your neighbors. We can have a peaceful neighborhood if everyone abides by this.

DETENTION BASIN - This property is located on SW Briarwood Drive. The city has made the homes association take over the maintenance of this property. We have cleaned this property up, trim the trees and now are mowing it bi-weekly. We have noticed dumping of yard waste, and tree branches along the back of this property. To keep this detention basin working properly this is not allowed. If you have yard waste please dispose of it properly and do not dump on private property.

My name is Tom Davis and I have been a resident in Windemere since 2003. I have served on the Windemere HOA and helped launch a Neighborhood Watch Program. My wife Mary and I have three boys who all have attended the Lees Summit Schools. I would love the opportunity to help you with a new HVAC solution that will bring down your utilities and may also be eligible for a Evergy and/or Spire rebate.
